

SC Gateways SPDG Project: Results from UDL Observations

Procedures

- Coaches at each of five project schools selected a representative sample of 8 teachers and observed them 3 times during the spring semester of the 2014-2015 school year.
- Each teacher was rated on 6 items from the *UDL Look Fors-Revised*, as applicable.
- Each coach collected data for a combination of 8 teachers and 6 items for a total of 48 possible data points at each observation time.
- The total number of data points rated at 3 = “UDL Provided with Appropriate and Intentional Use” was divided by the total number of data points collected at each observation time.
