

IRIS Professional Development

Since 2001, the IRIS Center has been one of the nation's most trusted developers of resources covering the issues educators care about. The IRIS Center creates and disseminates resources about evidence-based instructional and intervention practices to help improve the learning and behavioral outcomes for all students, particularly struggling learners and those with disabilities.

The screenshot shows the 'Administrative Dashboard' for 'Acme School District'. It features a navigation bar with icons for Home, Administrative Dashboard, a graduation cap, a person, a list, and a help icon. Below the navigation bar is a search and filter section with fields for First Name, Last Name, and School Name, and buttons for SEARCH and RESET. To the right of the search section is a table of results with columns for Registration Date, Status, Module Name, and Post Test Level. Callouts point to various features: 'Easy Navigation Tabs' points to the top navigation bar; 'Customized for Your School or District' points to the school district logo; 'Sort by Teacher or Module' points to the 'SORT BY' dropdown; 'Quick Search' points to the search input fields; 'Intuitive Filtering by Module, School, Role, or Status' points to the filter sidebar; 'Expand Results' points to the 'Expand All' button; 'Send an Email to All or Just a Selection' points to the 'Email All' button; 'Export Your Results' points to the 'Export Results' button; 'View Individual Status' points to the 'Status' column; and 'See Post-Test Level' points to the 'Post Test Level' column.
