

A "linemen": Not Just for Nebraska Football

Aligning the SPDG and SSIP

Introductions

- Steve Milliken, Nebraska Department of Education, Special Education Director
- Dr. Jolene Johnson, University of Nebraska Medical Center, Statewide Evaluator (SPDG and SSIP Part B)

State Director Role

- Role of NDE
- Role State Director
- Vision for Alignment of the SPDG and SSIP
- Oversight for both processes

Data on Students with Learning Disabilities

- Proficiency on the State Assessment
- Identification Rates increased

Steps Toward Alignment

- SSIP Plan has three strands (TIPS, Reading Rtl, PBIS)
- SPDG Plan has a comprehensive MTSS goal
- Systems Coaching and Data Utilization are Key for Both
- Movement towards involving the Educational Service Units

Role of Evaluation

- Similar Goals for Both the SSIP and SPDG
- Reducing Burden on schools to collect additional data
- Development of a comprehensive MTSS self-assessment
- Same statewide evaluation team (UNMC) and part of the management team for both the SSIP and SPDG

Future Alignment Activities

- Collaborative planning meetings with the SSIP and SPDG teams
- Development of statewide systems coaching model
- Sharing of data across projects
- Technical assistance provided to districts wanting to implement a comprehensive MTSS model
