

## Data Coordinator Monthly Focus Activities

This document provides MIBLSI Data Coordinators with an overview of the month-by-month supports to schools for installation and initial implementation of the required measures:

- PBIS Data Coordinators: SWIS, PBIS Assessment, the SWPBIS Tiered Fidelity Inventory, and the Student Risk Screening Scale.
- Reading Data Coordinators: Acadience Reading, Reading Tiered Fidelity Inventory
- EWS Coordinators: Early Warning Indicators (Attendance, Behavior, Course Performance, Overall Engagement Indicator, Progress Since Last Screening Period)

MIBLSI staff will be engaged in the following activities. Activities in blue are repeated monthly. There will be deliberate communication with the School Leadership Team (including principal and coach), District Implementation Team (DIT) designee, and the MIBLSI Implementation Specialist. All supports are designed to be conducted in ways that 1) ensure the measures are used with fidelity and 2) capacity is developed locally so that these data coordination responsibilities can be gradually released to district staff. The activities are organized by the **school's** year and month of participation. A district may be receiving supports from a MIBLSI data coordinator for schools in different years.

The following process will be followed when there is a need to add, refine, or delete an activity:

- A comment is added to the section of the document to be changed. A detailed description of the needed change is provided, along with a rationale for the change when applicable.
- Prior to each monthly MIBLSI Data Coordinator Meeting, Keriann Poquette and Julie Nixon will review the comments, make updates, and communicate changes to MIBLSI Data Coordinators via the pre-meeting sheet for the next data coordinator meeting. Updates will also be made to the [IS Monthly Focus Document](#), [Master MTSS Assessment System](#), and [Transition of Data Coordination to Local Districts](#), when applicable.
- When changes are made to the Master MTSS Assessment System or Transition of Data Coordination to Local Districts, Anna Harms will add needed changes to this document. When changes are made to the IS Monthly Focus Document, Keriann Poquette will add needed changes.
- Annually in April, any changes made to the DC Monthly Focus will be updated in the MIBLSI Data Coordination Supports to Districts document by Keriann Poquette, prior to DIT materials going to print.

- Annually in August, any changes made to the District Scope and Sequence are updated in the DC Monthly Focus by Keriann

**Author:** Michigan’s Integrated Behavior and Learning Support Initiative (MIBLSI)

**Last Updated (by):** Keriann Poquette, 2.24.20

## **Year 1**

### **September**

#### PBIS Data Coordinators

- *MTSS Assessment System:* Anna will create and share a new district *MTSS Assessment System* Google Doc with the IS. ISs will share with assigned MIBLSI DCs. IS and DCs will work together to document district assessment decisions in the *MTSS Assessment System* as decisions are made.
- Review the MIBLSI Data Coordination Supports to District document ([DIT Installation Module 3](#)) and this Monthly Focus document to understand the big picture of what supports happen when across all data coordination roles
- Meet with all MIBLSI PBIS DCs to get assigned to a district and to preview the PBIS Data Coordination supports that you will provide:
  - SWIS
  - PBIS Assessment: SWPBIS Tiered Fidelity Inventory, School Climate Survey (optional for Integrated)
  - Student Risk Screening Scale
- Review [DIT Installation Module 3](#) content to understand what topics will be covered in DIT Installation Day 1, to deepen understanding of how MIBLSI PBIS Data Coordination Supports will be aligned and complementary to DIT work.
  - Share DIT membership/contact info. with MIBLSI DC
  - Determine when MIBLSI DCs will be introduced to DIT members
  - Determine when and how the assessment system will be shared with the MTSS-C/DIT
    - Review timelines for identification of district data coordinator roles
    - Prompt the identification of multiple data coordinators to address sustainability and turnover

## October

### PBIS Data Coordinators

- Look in MiMTSS to review the scheduled Tier 1 PBIS/PSC for your assigned schools (alternatively, Strengthening Tier 1 PBIS training dates) to understand the timeline within which activities will need to be completed
- Review remaining [DIT Installation \(Modules 1-8\)](#), to understand what topics will be covered, and deepen understanding of how MIBLSI PBIS Data Coordination Supports will be aligned and complementary to DIT work.
- Schedule monthly check-ins between MIBLSI DCs/IS to coordinate the work ([MiMTSS DCs/IS Check-in Agenda](#))
- Review internal communication protocols for PBIS Data Coordination. ([MiMTSS DC/IS Communication Protocol](#))
- Work with IS prior to or during DIT 3 to:
  - Determine how communication will flow between the district and MiMTSS DC (e.g. direct to schools, always copying IS and MTSS-C). Decisions will be made with district staff during DIT 3 and included in the DIT to MiMTSS TAC communication protocol
  - Provide an overview of the SWPBIS TFI
  - Make district decisions regarding PBIS Assessment Coordination and SWPBIS TFI Facilitation, including:
    - Identify District PBIS Assessment Coordinator(s) (multiple coordinators to address sustainability) by November who will:
      - Complete the “Becoming a PBIS Assessment Coordinator” online module in EduPaths by January
      - Observe the MiMTSS TAC DC in preparing for TFIs in Feb/March
    - Identify District SWPBIS TFI Facilitator(s) (multiple staff to address sustainability) by November who will:
      - Complete the SWPBIS TFI online modules on Edupaths by January OR attend the in-person SWPBIS TFI Facilitator training in February
      - Observe the MiMTSS TAC DC in preparing and administering TFIs in Feb/March
    - Schedule SWPBIS TFIs with each SLT and with identified District SWPBIS TFI Facilitator(s) observing
    - Additional decisions outlined in the MTSS Assessment System
- [Discuss any red flag indicators that a partnership is off track \(listed below\) and bring to the attention of the core team to address on next meeting agenda \(or take more immediate action if necessary\)](#)
  - Not collecting required measures or using the required data systems
  - Not wanting or being able to send people to professional learning sessions
  - New district leadership (Liaison, Superintendent and/or MTSS/PBIS Coordinator)

- Parent complaints
- Change in status with MDE (e.g., now a partnership agreement district)
- Significant crisis in the district
- Student enrollment issues or pending district reconfigurations

## **November**

### PBIS Data Coordinators

- [Work with MIBLSI IS to coordinate all work](#)
- [Update MTSS Assessment System with district staff](#)
- [Discuss any red flag indicators that a partnership is off track and bring to the attention of the core team](#)
- Confirm Tier 1 PBIS Training dates with the IS, including Swift at SWIS training. A single Swift at SWIS training should be scheduled for all districts in a training HUB. Work with all MIBLSI PBIS DCs assigned to the HUB to schedule the training.
- Confirm contact information for your assigned SLTs (start with MiMTSS-school context tab)
- Determine when you will be introduced to the SLT (e.g., meeting, Day 1 training, or email) prior to Tier 1 PBIS/PSC Day 2 (Feb)
- Gather information about 1) whether your assigned schools currently use a SWIS account, or has previously held a SWIS account and 2) whether your schools/district already have an assigned SWIS Facilitator and/or PBIS Assessment Coordinator
- Look in MiMTSS for any historical ODR or SWPBIS TFI data
- Work with IS to schedule a meeting in December with District Coordinator and DIT to provide an overview and make district decisions regarding SWIS
- Work with IS to confirm and plan to attend the January DIT meeting to finalize district decisions regarding use of SWIS and work with the DIT to [identify District SWIS Facilitators](#)
- Remove assessment schedules in *MTSS Assessment System* for years 2-4 (leave only year 1)
- Complete the Data Coordination section of the *MTSS Assessment System* for MIBLSI staff information-PBIS Assessment Coordinator, SWIS Facilitator, SRSS-IE Coordinator

## **December**

### PBIS Data Coordinators

- Work with MIBLSI IS to coordinate all work
- *Update MTSS Assessment System with district staff*
- Discuss any [red flag indicators](#) that a partnership is off track and bring to the attention of the core team
- Review the [Tier 1 PBIS/PSC training](#) and coaching content (including Strengthening PBIS) to understand what topics will be covered in training and coaching supports, and deepen understanding of how MIBLSI PBIS Data Coordination Supports will be aligned and complementary to training and coaching. If necessary for deepening your learning, plan to attend one or more days of Tier 1 PBIS training.
- Facilitate a meeting in December with the District Coordinator and DIT to provide an overview of SWIS and make district decisions regarding SWIS (e.g. data integration, district referral form) (Resource: [Dec DC DIT Meeting Agenda](#))
- Work with IS to schedule initial meeting in January with coach and principal for each school and District Coordinator. Ideally, schedule with multiple schools together, rather than one school at a time.
- Contact Allison Olivio to get added as the PBIS Assessment Coordinator on each school's account

## **January**

### PBIS Data Coordinators

- Work with MIBLSI IS to coordinate all work
- *Update MTSS Assessment System with district staff*
- Discuss any [red flag indicators](#) that a partnership is off track and bring to the attention of the core team
- Finalize district decisions regarding use of SWIS from December DIT meeting
- Work with IS and DIT to [identify District SWIS Facilitators](#) to participate in SWIS Readiness with schools and attend December training (October is an option for those with conflicts). Prompt the identification of multiple facilitators to address sustainability and turnover.
- Facilitate a meeting with principals, coaches and District Coordinator prior to Tier 1 PBIS/PSC Day 2 (Feb) to review next steps for installing required measures for PBIS including (Resource: [DC Principal & Coach Meeting Agenda](#)):
  - Schedule or confirm schedule of SWPBIS TFI with SLT and identified District PBIS Data Coordinator observing
  - Schedule or confirm schedule for SWIS Readiness Activities with each SLT

**February**
