

IMPROVISE, ADAPT & OVERCOME

DATA COLLECTION AND EVALUATION IN UNPREDICTABLE TIMES

LESLIE C. FOX, PHD
MONITORING & STATE IMPROVEMENT PLANNING DIVISION
LESLIE.FOX@ED.GOV

Improvise, Adapt & Overcome

- Data collection challenges
- Planning for feasible data collection
- Prioritizing evaluation needs
- What is possible in virtual instruction
 - What does this mean for new data collection?
 - What does this mean for evaluation & data use?

Improvise, Adapt and Overcome

Stakeholder engagement is critical for:

- Understanding needs and context
- Making decisions
- Implementing plans
- Meaningful use of data and evaluation resources
