The screenshot displays the Engage OSEP website interface. At the top left is the logo with the text "engage. OSEP" and a graphic of three interlocking gears. To the right of the logo is a search bar with the text "Search" and a magnifying glass icon. Below the logo and search bar is a navigation menu with links for "Home", "Groups", "Resources", "Announcements", "Events", and "FAQs".

The main content area shows the breadcrumb "Home / Groups" followed by the title "MTSS". Below the title is a paragraph: "The MTSS Working Groups are small groups of SPDG projects that have a specific MTSS area they are working on together. Please use this site to share your resources, questions, and ideas."

Underneath the paragraph is a section titled "Managers" with a list of names: "Jennifer Coffey" and "Kelsey Leib".

Below the managers is a section titled "Group Content" with a "Content type" dropdown menu set to "- Any -" and an "Apply" button.

On the right side of the page is a "Member Tools" sidebar. It includes a "Search Members" search bar, a profile picture, and the text "Your status in this group: Active". Below this is an "Add Content" section with three buttons: "Discussion", "Event", and "Resource".
