Agenda

Sharing your Efforts & Impact

This year we are using an online submission process. Please use the following link to submit your proposals:

https://oregon.qualtrics.com/jfe/form/SV_0kcXFBfWDZqGrIN

Note that you and your team are welcome to submit more than one proposal, but if you want to submit more than two proposals you will need to complete the survey multiple times.

- · **10 & 10 Tool Sharing.** Within a 20-minute time frame presenters will have 10-minutes to describe a tool/resource and 10-minutes to take questions from participants.
- · **Forum Presentation.** Within this 30-minute time frame you will have 15-minutes of sharing and 15-minutes of discussion time/Q & A.
- · **Consultancy Protocol.** Within a 45-minute time frame, a facilitator and presenter guide the group through a four step process: (1) the presenter shares a dilemma, (2) the group poses clarifying questions, (3) the group reflects, and then enters into (4) a group discussion.

Responding to Challenges

- Consultancy Protocol
- Caryn Ward, SISEP Co-Director
- Shauna Harps, CIPP

Facilitation Needs

- Family engagement discussion facilitators
- Consultation protocol facilitators

Please contact Jennifer Coffey if you're interested: jennifer.coffey@ed.gov

Mentors

- If you requested a mentor we will put you in contact with the SIGnetwork member we have paired you with prior to the conference.
