In MD we are focused on universal SEL embedded across the school day. We are in the design mode with a national expert and local stakeholders

Anonymous 4/5/22 6:45PM
Implementation of the NY State MTSS-I with fideility

Anonymous 4/5/22 6:47PM
Consistent and cohesive definitions across SEA

Anonymous 4/5/22 6:56PM
Communication and "branding" around SEL. Research shows that stakeholders often agree with the components/teaching of SEL, but when called "SEL" there can be conflict and turmoil

What is the process you are using to support uptake of that idea?

💬 4

Anonymous 4/5/22 6:52PM
cross-divisional collaboration

Anonymous 4/5/22 6:56PM
defining complex terms at the beginning of every PD session

Anonymous 4/5/22 6:56PM
SEA Modeling cohesion to LEAs

Anonymous 4/5/22 6:56PM
systemic and clear implementation of an initiative that aligns with LEAs/districts' goals and needs

Of these big ideas, what is your team doing well?
