

MTSS Case Study

Spend 5 minutes reading the MTSS Case Study and individually thinking about what the elevator pitch should include.

- Consider Kristen Kushiyama's recommendations
- Is it brief?

Group 1

Group 2

Compelling Why -Improving outcomes for all students

Benefits: Teacher retention, reading improvement, capacity & scalability in this district, alignment of initiatives (coherence)

Investment: What resources (time / money) will be required?

Role that data plays in the decision-making and ongoing evaluation of progress

Powerful Story - Contextual / Local highlighting impact or potential impact.

Group 3

Group 4

Think

Communicating student

Leave ample time for a CONVERSATION not just questions

communicate knowledge of LEA focus areas/goals

Group 5

As a hook, focus on "what's the benefit" which could be teacher retention....No need to get into the detail beyond the purpose.

Make analogies to make the methods concrete in a succinct way
