

Instructional Supports in Mathematics

Rebecca Gaddie
Math Consultant, Special Education
Green River Regional Educational Cooperative

Andrea Craig
Stephanie Ernst
State Transformation Specialist
Kentucky Department of Education
Office of Special Education and Early Learning

Focus

- State Systemic Improvement Plan (SSIP)
- State Identified Measurable Result (SiMR)
- Focus areas:
 - Active Implementation ([AI Hub](#))
 - Supporting teaching and learning through the National Council of Teachers of Mathematics (NCTM) eight teaching practices
- Challenge
 - Instruction in a virtual and/or blended setting

Virtual Instruction Team

- Composed of a diverse group of stakeholders
 - Expertise in:
 - Kentucky's Mathematics Practice Profile and walkthrough tool
 - Virtual instruction
 - Family engagement

Team Deliverables

- Provide resources/support on the eight mathematics teaching practices in multiple instructional settings
 - In person/face-to-face
 - Virtual
 - Blended/hybrid
- The “What” doesn’t change - eight mathematics teaching practices
- The “How” varies
 - Tools
 - Processes
 - Strategies

Next Steps

- Engage stakeholders
- Develop statewide readiness
- Receive feedback
