

# IMPROVISE, ADAPT & OVERCOME

DATA COLLECTION AND EVALUATION IN UNPREDICTABLE TIMES

LESLIE C. FOX, PHD  
MONITORING & STATE IMPROVEMENT PLANNING DIVISION  
LESLIE.FOX@ED.GOV

# Improvise, Adapt & Overcome

- Data collection challenges
- Planning for feasible data collection
- Prioritizing evaluation needs
- What is possible in virtual instruction
  - What does this mean for new data collection?
  - What does this mean for evaluation & data use?

# Improvise, Adapt and Overcome

Stakeholder engagement is critical for:

- Understanding needs and context
- Making decisions
- Implementing plans
- Meaningful use of data and evaluation resources
