

Initiative Inventory

This tool can be used to guide your team's review of past and current programs to get a clear picture of existing programs, practices, innovations, initiatives, and resource commitments. Information and data collected can be used by the organization when exploring fit of additional initiatives with current work, guiding decision making to make room for new work, and assisting with alignment of initiatives.

Name of innovation or initiative	
Leadership of Initiative (Team and/or Coordinator)	
Expected Outcome	
Target Population and Scale of Intended Use	
Start and End Date
