8:00 – 9:00 am SPDG Analyst Conversation, Jackson

Jason Altman and Elizabeth Ficklin invite you to a relaunch of a work group to help evaluators solve SPDG-related problems and extend their professional skills by connecting them with a valuable resource, each other. The group is meant only for individuals tasked with performing the calculations for APR performance measures. We will discuss the biggest challenges or questions members of the group have at exactly that moment.

8:00 – 9:00 am..... MTSS & IHEs: Outreach, Recruitment, & Successful Integration, Salon 1-2

Supporting MTSS implementation is significantly easier when teachers, administrators, and related services personnel (e.g., school psychologists) are prepared knowing the basics of (a) how to select evidence-based practices, (b) how to conduct formative and summative assessments, and (c) how to make changes based on these data. Join Stacy Williams (NY SPDG) in sharing effective collaboration strategies between SPDGs and IHEs.

12:30 – 12:45 pm...Purchase your Lunch to bring to the SPDG Meeting

12:45 – 2:30 pm.... SPDG Program Area Meeting, Salon 3-4

EmpowerED: Elevating Voices, Enriching Education, Embracing Collaboration. The adventure starts here.
